

FRESCO

Fresco-a-80-80!

FIESTA

THE SPECIAL EDITION FIESTA FRESCO

The 1.1-litre Fiesta Fresco offers a choice of eye-catching colours. Take your pick from Black, Diamond White, Maritime Blue and Rosso Red.

Fresco! The latest addition to the Fiesta range of stylish superminis is every bit as fresh and crisp as its catchy name. Performance? Ford's lively 1.1-litre engine comes complete with a slick-shifting five-speed gearbox. Other value-for-money features include a sports steering wheel, and a neat central console (below) to house the radio.

The Fresco sports wheel covers with an attractive tricoat white finish. Tyres are 155/70SR radials on five-inch rims.

Fashionable and practical hatchback styling is matched by an equally attractive and versatile interior. Fresco features include cloth-trimmed seats and door panel inserts, door bins and colour-toned fleece carpet.

This trendy hatchback's excellent all-round visibility is enhanced by a dipping rear view mirror. Twin door mirrors are also standard.

A sports steering wheel with a 'soft feel' rim is typical of the Fresco's value-for-money features.

Door panel inserts (right) and seats are trimmed with Cascade cloth that gives the Fiesta Fresco's remarkably spacious interior a unique appearance. This stylish fabric features green, red and yellow flecks on a grey background. It looks great, provides plenty of ventilation, and is easy to keep clean.

Crisp lines, glossy paintwork and colourful, wheel-to-wheel stripes make the Fresco the supermini that stands out in a crowd. Equipment includes a wash/wipe for the tailgate.
